Our Dedication . . . Coach Brooks

No man has done more for true Mavericks than our own Coach Ralph Brooks. He is an active worker as a teacher, in the community as well as a supreme coach.

Coach Brooks has established the best athletic record of any coach at Marshall High School. He has led the Maverick baseball, basketball and track team to District 8-AAAA victories. Also a 9-1-0 record, the best record ever established by a Marshall Maverick football team, was established in 1966.

Of all the coaches Marshall has ever had, Coach Ralph Brooks is one of the most respected. In the summer Coach Brooks spends his time planning jobs for Marshall students. He is an enthusiastic leader of the youth of Marshall.

The Maverick Staff for 1967 is honored to dedicate this book to a most deserving man, Coach Ralph Brooks.

School Life

At M.H.S.

Eager freshmen enter the portals of MHS not sure of which paths to take. They are Knox Keys, Jan York, Suzy Baker, Warren Clark.

Among other trophies here, Srs. Dennis & Susan display their rings.

September Met With

These students patiently await their turns to have their pictures taken.

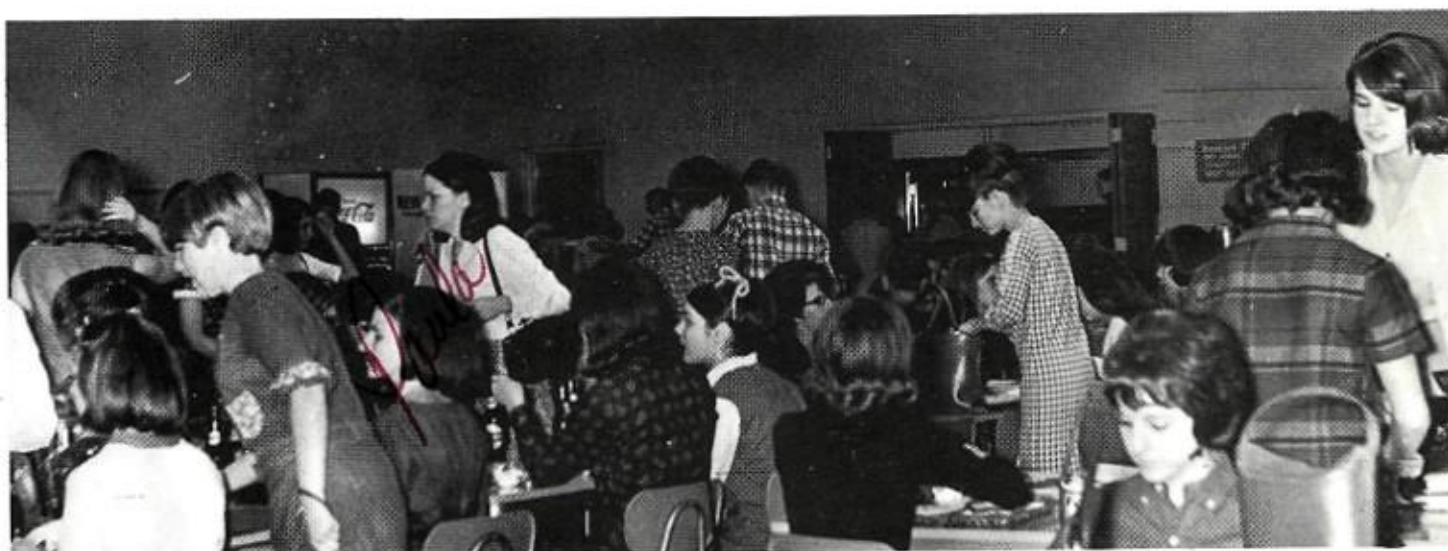

"Mav-for-the-Month" of September, Larry Cloninger, admires the trophy he has received.

Leslie, Hays, Karen, Martha, & Steve make an attempt to have their unsatisfactory schedules changed.

Larry, Leta, Steve, & Bud model some of the new, fall fashions around MHS such as hip-hugger slacks, double-breasted jackets, and "little girl shoes"

Juniors Elaine & Melinda find that it does not take lockers long to "fill up".

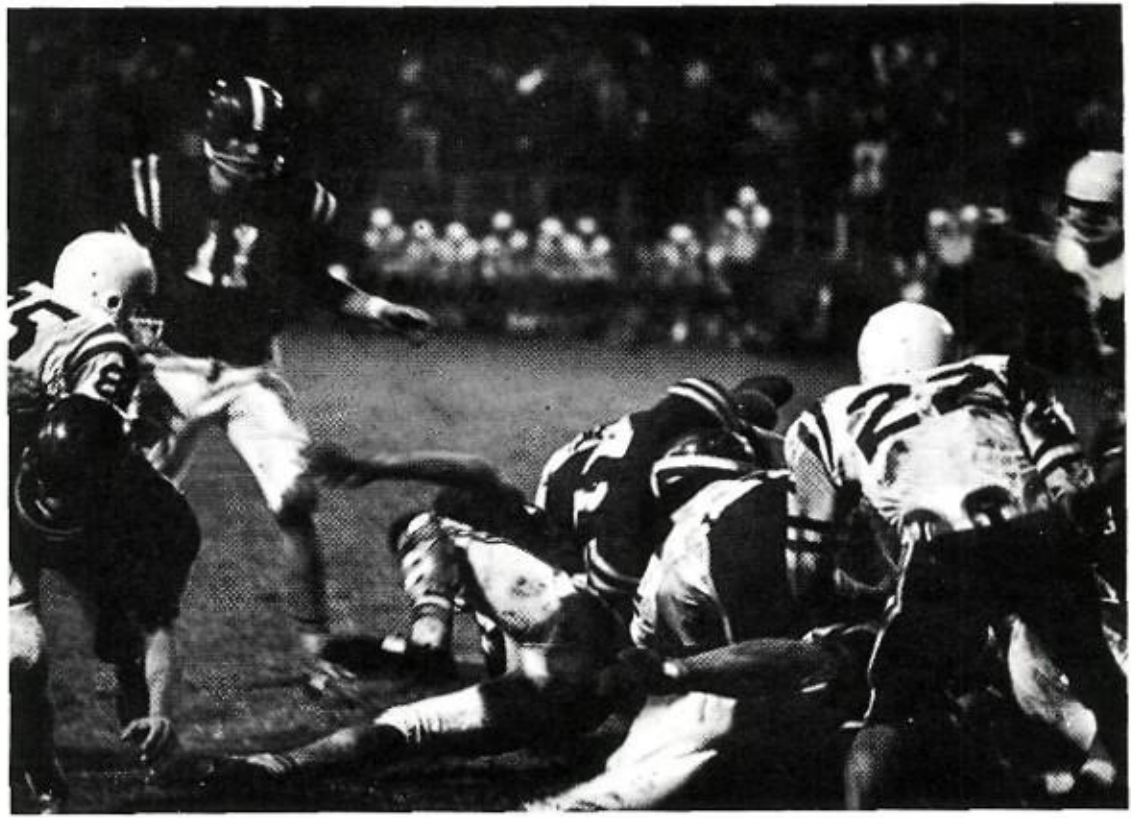

too soon.

There, now, Phil, just because you fluffed off the 1st six weeks, don't take it out on poor, old Mr. Puckett.

Connie Meeker models her suit while Susie Sessions narrates the Homemaking Style Show.

As the football season draws to its close, the Mavericks really hustle to bring in a score.

November — Time to Count our Blessings

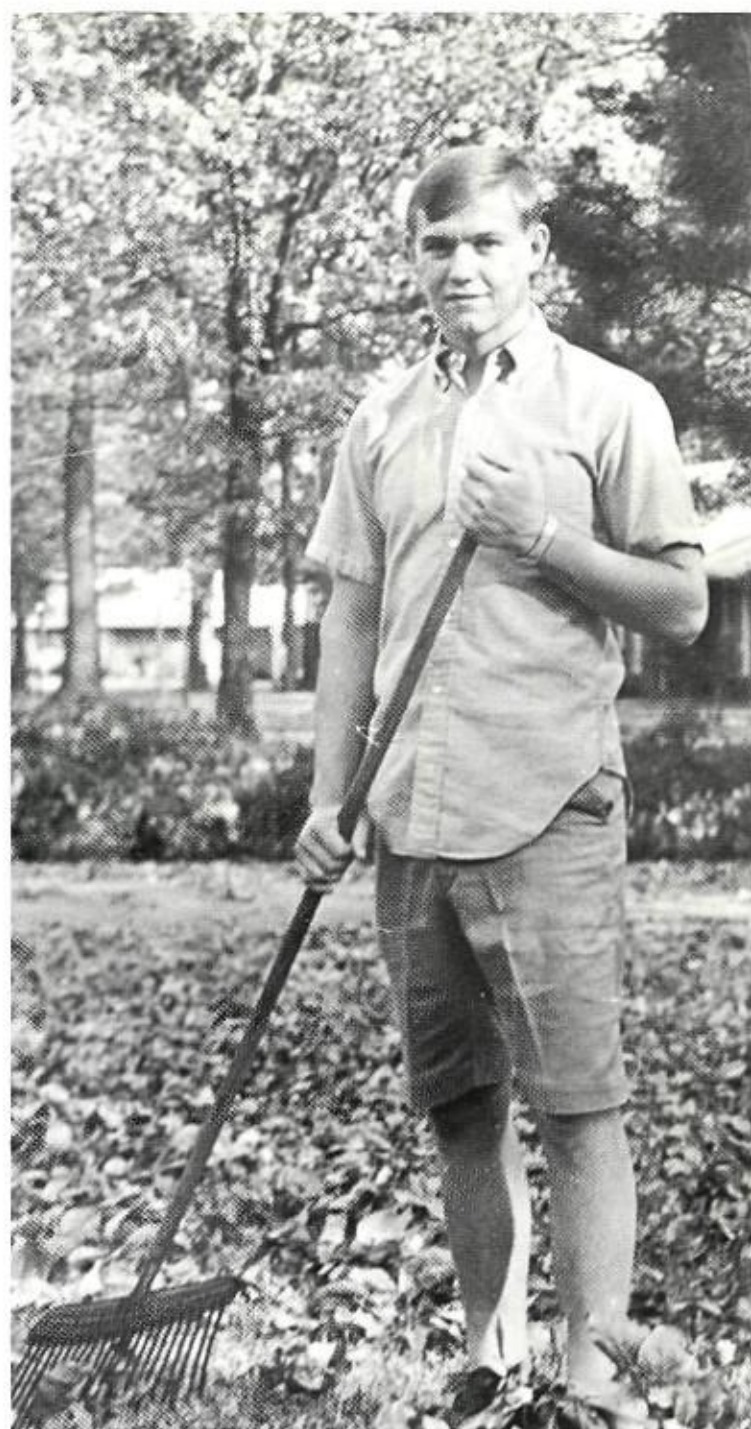

The Maverick Annual Staff, during this period of Thanksgiving, would like to give recognition to the Mavettes for their support of the team.

Juniors Marilyn Maloney and Bobby Schwartz get help in selecting a turkey for Thanksgiving.

Like many other MHS boys, Junior Eugene Simmons gets the job of raking leaves.

Welcome February

Junior Hays Tebbets begins practice for the tennis team as early as February.

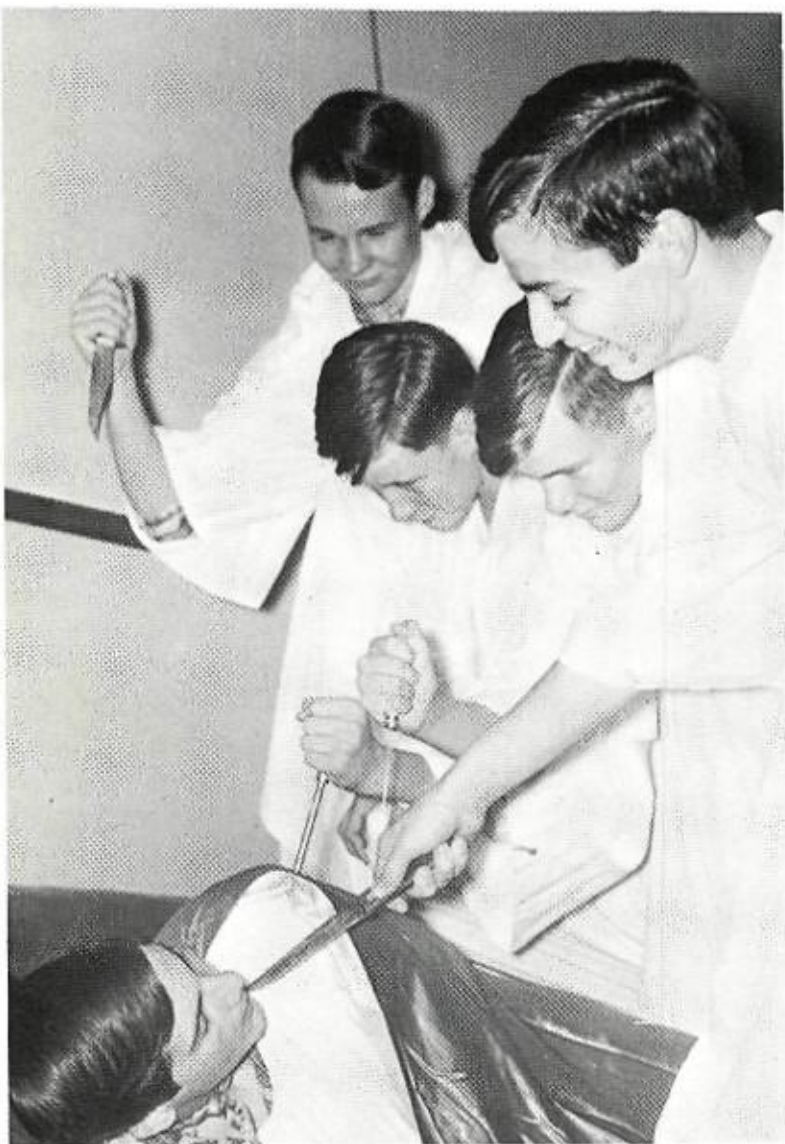

These four MHS beauties show off their terrible wounds from the Girl's Basketball Tournament.

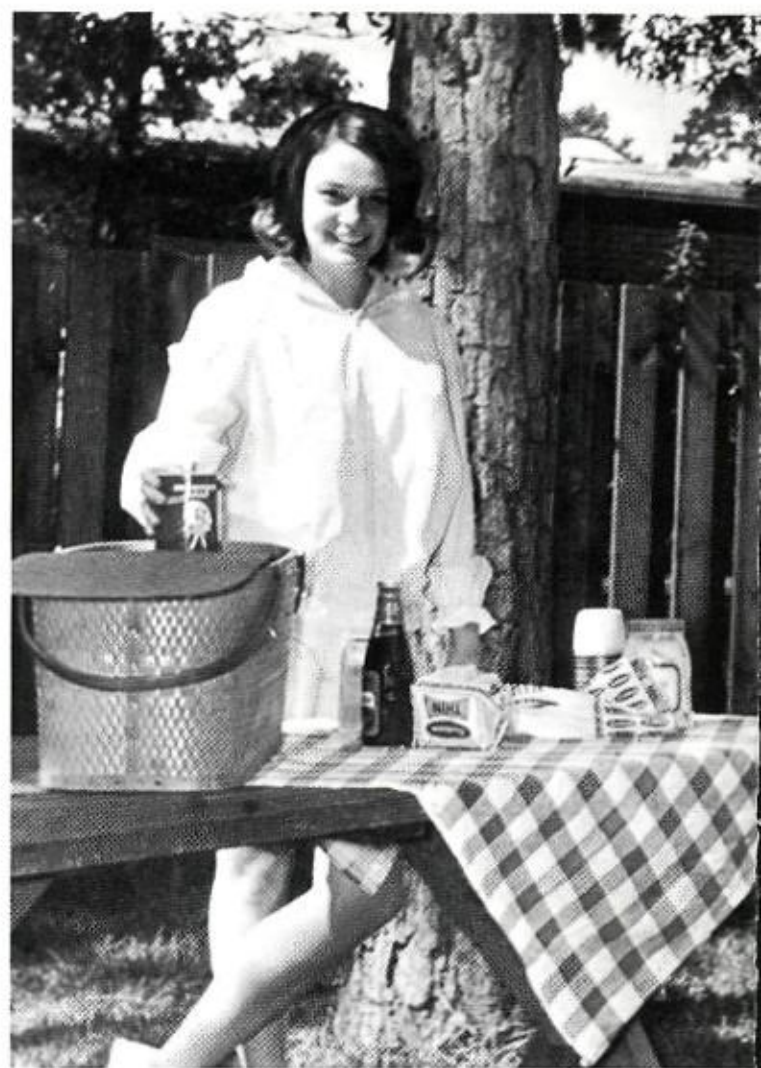

By the looks of Kennie Pollard and Larry Cloninger there seems to be an epidemic of "spring fever" going around.

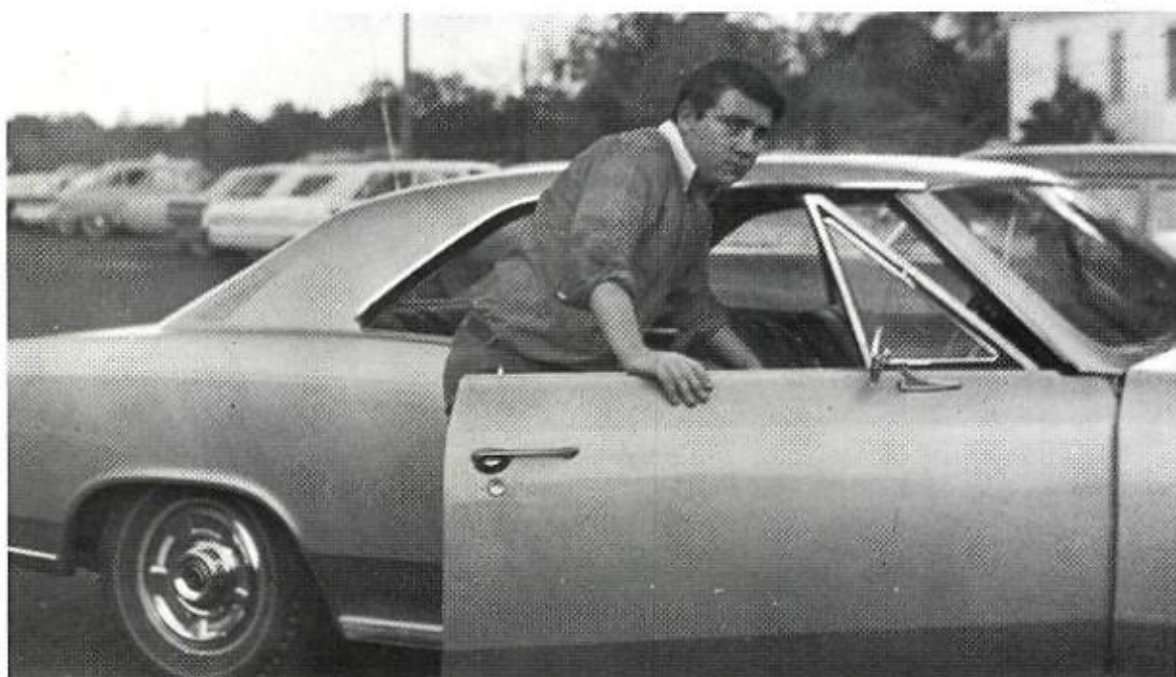

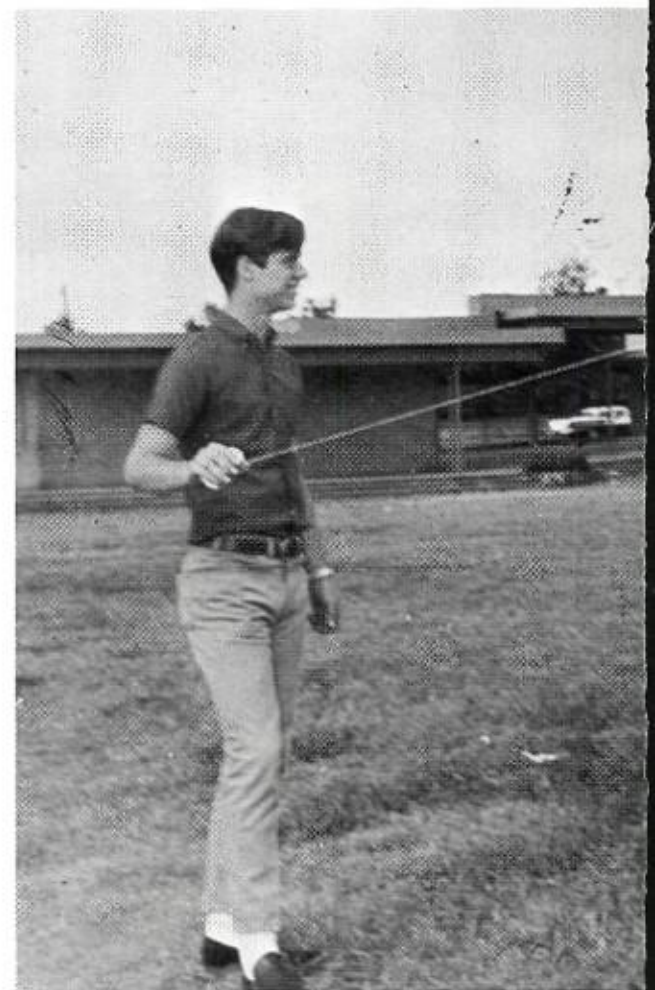

Mrs. Martin's Latin students Steve, Tommy, Blake, and Scott stab Caesar (Chuck) on that fateful day, the "Ides of March".

March "Spring"

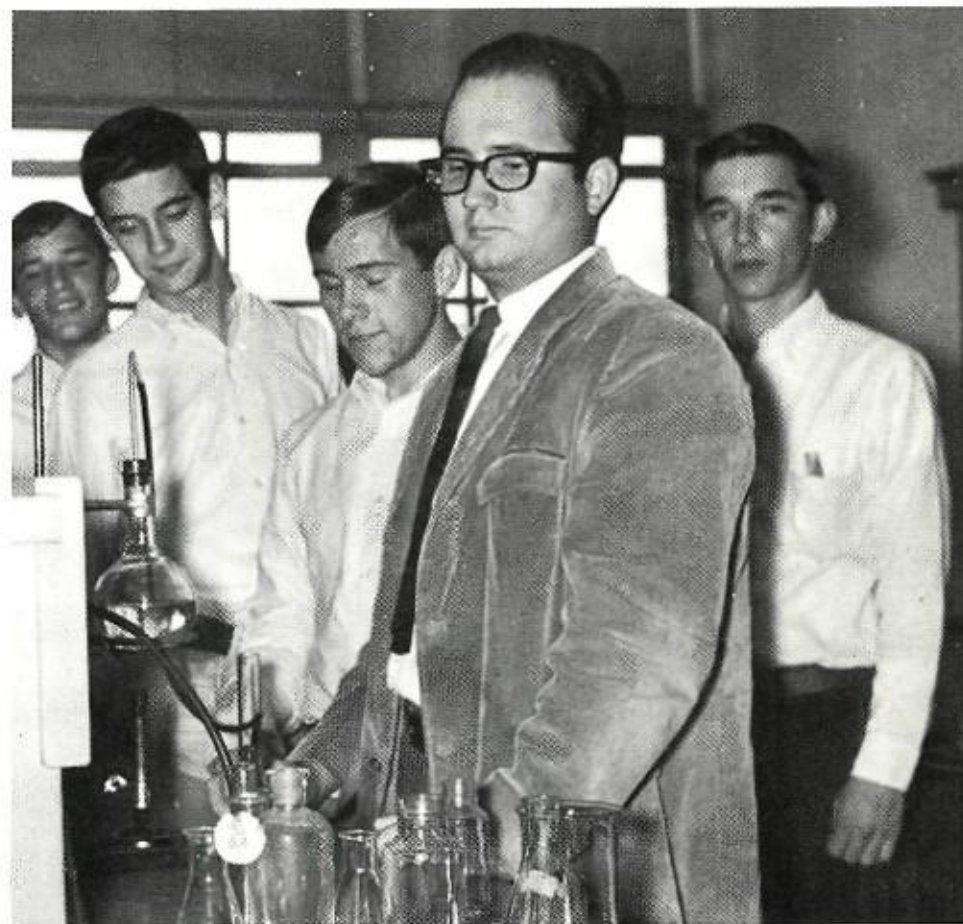

David Godwin and Bill Pierpont try to fly their homemade kite in the brisk March winds

Casting their ballots in one of the numerous elections held in the spring, Steve, David, and Rod energetically support their school. (Wonder who they voted for???)

Romance under an umbrella??? — Not really, Jenny and Locke are just seeking shelter from downpours of April.

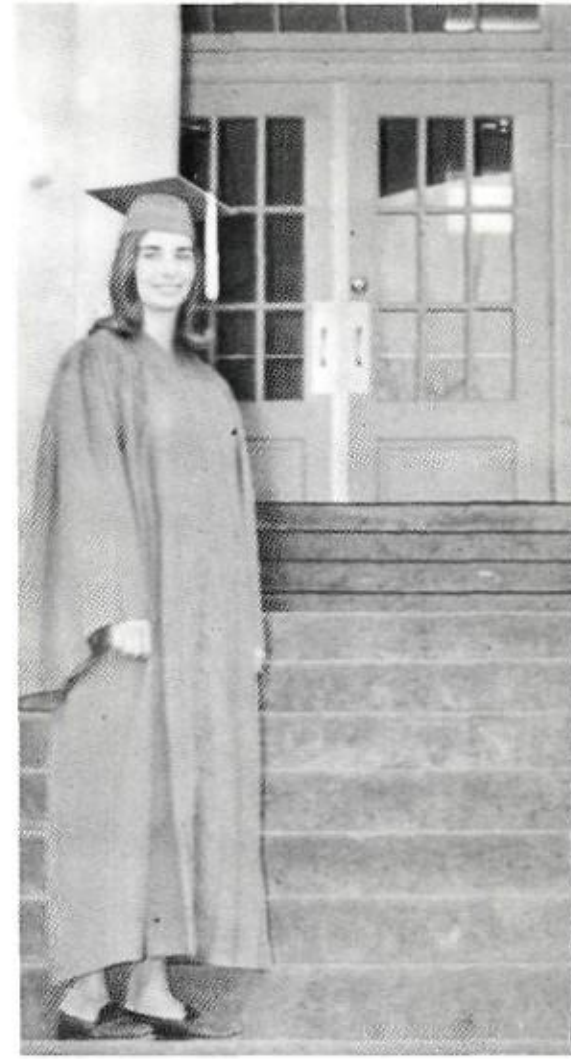

Sophomores Donald, Linda, Blake, and Judd enjoy fishing in a nearby pond.

Mavs Gore Pine Tree 23-7

MARSHALL'S MAVERICKS began their '66 season with a 23-7 win over Pine Tree before a crowd of 5,000. The Mavs picked up a safety in the first quarter when Butch Munden downed Pirate Jerry Matlock in his own end zone. In the second quarter Larry Cloninger scored from eight yards out and later tallied six on a 32 yard pass from Mav QB Mike Beane. Scotty Furrh picked off a Pirate pass in the third period and ran all the way to cap off the Mav scoring drive. Pine Tree's lone score came in the fourth period on a one yard scamper by Matlock. Bill Foster converted for Marshall each time, while Danny Turner did the same for Pine Tree.

THE MAVERICKS managed to squirm out a 7-0 victory over Saint Thomas to give the Eagles their first defeat of the season. St. Thomas outweighed Marshall 216-170 pounds in the line and was favored by everyone. This didn't bother Bart Graves, Larry Cloninger, Johnny Pratt, and a host of other Mavs as they put Marshall in a position to score in the fourth period. Mike Beane took the ball and scrambled 16 yards for the score. Bill Foster converted for Marshall.

Keith Parker began the scoring in the second quarter with a 21-yard field goal to put the Lobos ahead by 3 points. Scotty Furrh came back a few minutes later to scamper 53 yards to the enemy 16. Driving to the one, Furrh blasted over for a Mav TD. In the third period Marshall scored again when quarterback Mike Beane tossed a nine-yarder to tackle Haslett Rutledge. The kick failed. THE MHS MAVERICKS captured the District 8-AAAA grid title by defeating the Texarkana Tigers 13-0. All the scoring of the game came in the third quarter. The Mav defense set up the first Marshall TD as an intercepted Tiger pass started a drive that was climaxed when Scotty Furrh smashed over from the Texarkana one-yard line for the score. Bill Foster split the uprights to put the Mavs ahead 7-0. Quarterback Mike Beane connected with End Dennis Watson on a 30-yard pass play for the Mavs second and last touchdown. Mavs Stomped

R. L. Turner of Carrollton used a swift passing game to down the Mavs, 8-AAAA champs, before a crowd of 8,000. The Lions scored with four seconds left in the first half as QB Bill Montgomery teamed up with End Preshie Hodge on a play covering 17 yards. Lonnie Aaron scampered 46 yards with 10:10 left in the third quarter. The second of three Charlie Sadler placements put the Golden Lions out front by a score of 14-0. Carrollton scored again in the fourth period as Montgomery tallied six on a one-yard quarterback sneak. Sadler made the score 21-0 with 3:47 left to play. The Mavs lone tally came on a two-yard pass from QB Mike Beane to end Dennis Watson as the clock showed but 46 seconds left in the game. A pass for two points failed. The Mavericks losing bid marked the first time in 15 years the Mavs advanced beyond District play. Sadler was the top defender for the visitors, while Bart Graves was the Key Mav defender.

THE MAVERICKS, under the superb leadership of Coach Bill Keesee, made their 1966 season just as successful as their previous one. First capturing the District 8-4A perch by downing Longview, the Mavs swept on to Bi-District. The Mavs captured the lofty Bi-District seat after rolling past Richardson. Although the Mavericks lost their bid for Regional honors, Coach Keesee is looking forward to another excellent season in 1967.

And now the curtain slowly descends near the conclusion of our 1967 MAVERICK. The stage was set in September, directed in the following nine busy months of life at MHS, and finalized through the gleaming spotlights of the successful Annual Party in April. Toil and Determination have become the most familiar lines uttered by the members of the Annual Staff; ultimately, these specific ideas have been reflected in the role of our best-seller—the 1967 MAVERICK. Now our insatiable desire for the completion of dress rehearsal is a reality; the dying thirst for opening night has been fulfilled, and it is now a premiere packed with memories, emotions, and lasting acquaintances.

Composing the actual plot of this production were its unforgettable characters:

Mrs. Peggy Wilson portrayed the director;
Don Wilson acted as Producer;
Annual Staff Members depicted the stagehands;
YOU, the students, were the cast;
and, most important of all,
Mr. Julian Barnes, Mr. Tom Holley, Mr. Bob Burns, and Mr. Ed Foster represented the genuine stars.

Our special thanks are extended to our commercial photographers, Mr. Barnes and Mr. Burns, for their unrelenting patience and quality work.

Also, our extra thanks are intended for Mr. Holly, Taylor Publishing Company Representative, for his loyal guidance.

An added token of appreciation is awarded to Mr. Ed Foster, our devoted school photographer.

And now—as the flickering lights of this All-Star Presentation grow faint, we unanimously agree that they will never completely be extinguished, because of this production—

THE 1967 MAVERICK.

Many Thanks To . . .

DON WILSON
MAVERICK EDITOR

Although the 1966-1967 Maverick Magical Year has now projected itself into the epic pages of history, it shall never become so distant in the mind and heart of Don Wilson, who emerged as the major image in this chapter of life at MHS. Room 313 is now a definite link with all characteristics of Don. He has faithfully and undauntedly guided fourteen staff members through days of turmoil, cheer, and frustration. Yet, always did he return with the same attitude of personage—the Don whom we all appreciate and respect.

Dear Susan,

Like Hil Simon (alias S_NH) what can I say but
it's been exactly excitingly wonderful and not to mention fun.
What would I ever do without you to walk to
school with, walk home with, go places with and
most of all what would I ever do if you didn't listen
to my "problems" and help me find a
solution to them? I really do

Susan,
You're a real sweet
girl and I have really
enjoyed knowing you
this year in choir.
God bless you,
Love,

Judy Karp

Treasure your friendship and
hope it continues forever. After
all how often do two absolutely
idiot people get to be the best of
friends - You must admit not often.

Love ya,

Dear Susan,
I've enjoyed sharing
another year with you, even though we
didn't have a long time, and it helps that we
have been
friends for a long time.
I don't know if you
will continue.
Lots of love in the years to

Dear Susan,
Unfortunately, the peasants of the world didn't leave me room on my page - the sophisticated sophomore, Sr. 69, didn't even get a small portion on the special page especially assigned to me! Anyhow, we've had lots of good, old fashioned fun this year and we've enjoyed my classes with you. You're a wonderful person and an intelligent girl, and I hope you get what you deserve from life. Good luck - See you next year!
Love ya!

Dear Susan,
What a great year this has
been. I think your attitude toward life
and I hope you will always
keep it. This year in English has taught
me a lot. (not that your smart cause
always knew that) French is one of my
best classes (not grade wise) and I'm glad
we will be together a lot.
Love ya

Buddy

An English Dancer,

friends. Keep up the good work. May
blessings be coming your way. I know, may
the finest girls I know. May we become even better
many admirable girls I know. May we become even better
Susan a verb in English! Actually, you have
fun next year - at least you can tell a noun
year, and may I admire you, and have more
been fun this past year. It sure has
Susan!
